TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2016

The Trustees present their report and accounts for the year ended 31 December 2016.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

The trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission (i.e. public benefit statement).

Objectives and activities

The European Parkinson's Disease Association (EPDA) is the only European Parkinson's umbrella organisation. It has been championing and working with the global Parkinson's community for 25 years.

As the leading voice for Parkinson's in Europe, the charity provides information and resources to all Parkinson's stakeholders, raises awareness of the disease's complexities and impact, and advocates for concrete policy change that benefits the Parkinson's community.

Its vision is to enable all people with Parkinson's to live a full life, while supporting the search for a cure.

The EPDA

- engages and connects with the Parkinson's community across Europe and the globe to champion collaborations and partnerships, helps develop solutions to unmet needs, and raises awareness of the impact of the disease with decision makers.
- Informs through its online library the biggest in Europe and provides up-to-date information, research
 and resources for Parkinson's stakeholders to educate, advise and share good practices.
- unites and represents national Parkinson's associations that collectively have more than 120,000 members in nearly 30 countries across Europe and advocates for the rights and needs of more than 1.2 million people with Parkinson's and their families.
- Provides an authoritative voice on the impact of Parkinson's across Europe and advocates for policy change that benefits the European Parkinson's community.

The main objective of the charity during the year was to continue working towards the goals listed above.

The main strategies for achieving the charity's objectives for the year was by engagement, facilitation and utilisation of the communication strategy, advocacy activities and project development..

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The EPDA depends on the support of external organisations and companies for funding.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

The organisation continued its regular publications Parkinson's Life.

The following projects were undertaken during the year:

- My PD Journey Multi-Stakeholder Project
- NRT
- Medtronic Information
- Parkinson's Information
- Zambon 1 Hour More
- Zambon Master PD Chef
- Global Campaign
- Herantis
- Members Outreach
- Data Collection

Achievements and performance

The achievements of the charity during the year were as follows:-

The association continues to seek funding on an annual basis by external organisations and companies to enable the EPDA to maintain the organisation including: auditors, member organisation meeting, management, board meetings, administration, political advocacy and project development.

Due to the economic climate and restrictions in funding from Pharmaceutical companies it has been another difficult year to raise funding, but the association has been able to increase total income by 13.4% to return its funds to credit.

In addition to providing non-restricted core funding, there are opportunities for companies to partner with the EPDA on individual projects, which are of mutual benefit to all concerned.

The charity is reliant on external sources of funding mainly from the Pharmaceutical industry which is outside the control of the charity and constitutes the charity's principle risk. The trustees manage this risk by careful control of overheads and only carrying out projects when funding has been agreed to cover the anticipated costs.

Financial review

The financial position of the charity is satisfactory but difficulties have been experienced over recent years in obtaining adequate levels of funding for the projects that it would like to undertake.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has not been maintained throughout the year due to the difficulty in obtaining funding.

The Association is seeking to increase its reserves to cover 6 months annual running costs of the administration team. At the year end date the balance on unrestricted reserves was £32,011. In addition, the Association held restricted reserves of £81,682 at the year end date.

General funds were in deficit of £57,910 at the previous year-end date. Additional funding has been received during the current year and the fund has returned to credit in 2016.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

The principal sources of income is from membership organisation subscriptions and from funding from pharmaceutical companies in order to maintain the organisation including: auditors, member organisation meeting, management, board meetings, administration, website and project development.

In addition to providing non-restricted core funding, there are opportunities for companies to partner with the EPDA on individual projects, which are of mutual benefit to all concerned.

During the year the charity received funding from the following sources:-

Pharmaceutical Companies:

AbbVie Biopharmaceuticals Sarl Acorda Therapeutics BIAL Britannia Pharmaceuticals Ltd Boston Scientific International SA Ever Neuro Pharma GmbH GlaxoSmithKline Services Global Kinetic Corporation Gruenthal Gmbh Medtronic International Trading St Judes Medical TEVA Pharmaceutical Industries UCB Biopharma SPR Zambon SPA

Foundations:

The Astor Foundation ICAP Charity Day

Other:

CMGRP Italia Spa Europar Fundraising events and general donations

The Trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The level of funding for 2017 is expected to be increased due to continued fundraising efforts. This will enable the increase the amount of projects undertaken in the year.

(Resigned 31 January 2016)

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF EUROPEAN PARKINSON'S DISEASE ASSOCIATION

I report on the accounts of the charity for the year ended 31 December 2016, which are set out on pages 8 to 19.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10(1)(a) to (c) of the Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is preparing accrued accounts and I am qualified to undertake the examination being a qualified member of The Institute of Chartered Accountants in England and Wales.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011 and under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act);
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission and is in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act and section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act, section 44(1) (b) of the 2005 Act and Regulation 8 of the 2006 Accounts Regulations;

have not been met or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

North Tuchate.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting policies

Charity information

European Parkinson's Disease Association is a Charitable Incorporated Organisation registered in the UK on 19 August 2015.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's trust deed, the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest \mathfrak{L} .

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

These accounts for the year ended 31 December 2016 are the first accounts of European Parkinson's Disease Association prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 January 2015. The reported financial position and financial performance for the previous period are not affected by the transition to FRS 102.

1.2 Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting policies

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Resources expended

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1 Accounting policies

1.8 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight line basis over the term of the relevant lease.

1.9 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure for the period.

1.10 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which is was incurred.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
